### **PHILOSOPHY**

- The philosophy of Sacred Heart School is to provide maximum student development in a Christian atmosphere. Based on the recognition that the child is multi-dimensional, we profess to use developmentally appropriate educational practices. We endeavor to incorporate into our program those authentic activities that will develop the spiritual, intellectual, social, moral, creative, and physical needs of students.
- The educational process should be a joint effort between parents and school. Since education begins at home, we encourage parents to assist the faculty in training their children for the reception of the Sacraments as well as reinforcing all the literary, math and communication skills taught in school.
- We believe that the administrators, faculty and staff receive their inspiration from the Blessed Trinity. Our guidance and direction is received from the principles expressed in Scripture to teach as Jesus did.
- We, as educators, believe in the need to exemplify our philosophy through our words and actions. Our quest is to guide our students toward God, community and service. This will enable them to function in the mainstream of life with sensitivity, responsibility, and respect for all creation.
- We strive to deal with social and moral issues in accordance with the teachings of Jesus and His Church. This calls for the formation of values and attitudes demanded for Christian living in our complex society.
- Our commitment is to academic excellence as well as to the dignity and honor of the person. Our intent is to prepare a child who, in a joyful spirit, will responsibly deal with all aspects of life.

- Each class from grades pre-kindergarten through eighth attends the celebration of Eucharist/Mass each week and Catholics are expected to fulfill their Sunday obligations. Students prepare and participate in the liturgy. The graces that children acquire for themselves and their families through this practice are beyond measure. Habits formed now influence your child's entire future. Your own presence at Sunday Mass with your child will help him/her form this important habit early in life. Your example reinforces the school's efforts and helps your child develop a reverence and love for the Eucharist/Mass. Confessions are held at specific times during the year. Children are encouraged to go to Reconciliation, but are not required to receive the Sacrament. The Church obligation for Reconciliation, however, is once a year. The pastor is available to the students and families of Sacred Heart School for spiritual guidance.

  - c) The integration of faith and values into the program design.
  - d) The opportunity for a continuous peer review and assistance at various stages leading to the ongoing planning and improvement of services for students.

- e) The existence of a set of current standards which promote excellence in the total educational program and are appropriate to the mission of Catholic schools.
- Sacred Heart School was re-accredited in 2015. The school continues to review and revise its action plan as the needs of the community change each year.

## **2. Child Protective Investigations - Diocese of Palm Beach**

- Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).
- Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

## **3. Reporting Physical or Sexual Abuse**

- Students or parents who have suspicion of any form of sexual or physical abuse should immediately report this to a member of the Sacred Heart School faculty or staff. Sacred Heart School follows the state and diocesan regulations and procedures concerning the reporting of suspected sexual or physical abuse. Diocesan policies can be found on the Diocesan web-site, <http://www.diocesepb.org>. A person receiving an allegation of sexual abuse of a minor by Church Personnel must immediately report the allegation. Our policy requires priests to report allegations that are made in a spiritual counseling context, even though law exempts ministers from the requirement of reporting. The only exception to this is the confidentiality of confessional. At the outset, families should be informed of this requirement. Further information may be found on the diocesan website: [www.diocesepb.org](http://www.diocesepb.org).

## **4. Testifying in Divorce or Custody Proceedings – Diocese of Palm Beach**

- The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or

deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

- In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

#### **5. School Records-Non-Custodial Parents**

- In accordance with Florida Statute 61.13 (3), the school will make school records and in-person conferences available to both parents unless a court order specifically revokes this right, in which case it is the responsibility of the custodial parent to provide the court order to the school.
- It is the responsibility of the custodial parent to make the school aware of any court orders preventing the other parent visitation rights. If a court order does exist, a copy must be placed in the child's permanent office file.

#### **6. Emergency Drills**

- FIRE DRILLS
  - a) All students observe silence in moving out of the building.
  - b) Each class, following the lead of the teacher, shall proceed in single file and at rapid pace.
  - c) All windows and doors are closed and lights are to be turned off. Aisles should be clear at all times.
  - d) Each student should familiarize himself/herself with the proper exit that the class is to use. A sign giving this information is posted in each room.
  - e) The teacher takes roll call as the class reaches its destination.
  - f) At the end of the drill, a signal is given for all classes to return to their rooms in absolute silence.
- TORNADO WARNINGS/DRILLS
  - a) If a tornado warning is received at the school, it will be communicated to the student body by the sound of a consecutive ringing bell, as opposed to the fire bell, which rings intermittently.
  - b) First floor classes are asked to move away from windows and remain on the floor. Students who are in the cafeteria or are in PE are to go to Madonna Hall.
  - c) Second floor classes are to move to the first floor classroom as stated:

### 7. Supervision Before & After School

- The school is not responsible for students left on the school property before 7:30 A.M. Students are not allowed to be on school grounds before or after school unless they are participating in a school supervised activity. Coaches and activity moderators are only responsible for the students enrolled within their activity. **Students that are not a member of an after school activity or sport may not stay after school with another student who is involved in an after school activity or sport due to them sharing a ride home. Parents must pick up the student not involved in any after school activities or sports when school is over and return for the students involved in an after school activity or sport.**

### 8. School Closure

- When emergency conditions have been declared by the county, such as severe weather conditions, schools may be closed. Sacred Heart School often follows the decision of the Palm Beach County Public School District. However, circumstances may allow Sacred Heart School to remain open, or re-open at a time different than the public school district. All Sacred Heart School closing information will be conveyed through the Sacred Heart School website ([www.sacredheartschoollakeworth.com](http://www.sacredheartschoollakeworth.com)), and RenWeb Parent Alert communications. In addition, the local media will be provided this information.

### 9. Electronic Acknowledgements – Diocese of Palm Beach

- Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking “submit” or “accept” on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition,

**Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE to receive and be bound by electronic acknowledgments**

## **SCHOOL RECORDS**

### **1. Emergency Information**

- Emergency information **MUST** be on file before any student may attend classes. Parents must notify the school whenever there is a change of address or telephone numbers that would prevent the school from reaching them in time of an emergency.

### **2. Medical Guidelines – Diocese of Palm Beach**

- Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:
  1. An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
  2. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.
  3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.
- Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (Epipen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Diocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of those health care interventions that are beyond minor adjustments.
- Attendance at school and participation in school activities pose some risks including the transmission of COVID-19. Although the school has taken various measures to reduce the risks of transmission, the possibility of infection from COVID-19 or other communicable diseases is nonetheless present. Parents expressly assume such risks by

allowing their children to attend school and participate in school activities and/or by coming onto the school campus and attending school activities themselves.

### **3. Notification of Rights under FERPA- Diocese of Palm Beach**

- The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records.
- These rights are:
  - i. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.
  - ii. Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
  - iii. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
  - iv. Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
  - v. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
  - vi. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
  - vii. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional

responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

- viii. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW

#### **4. Records – Non-Custodial Parent**

- Sacred Heart School abides by the provisions of the Family Educational Rights and Privacy Act (FERPA) with respect to the rights of non-custodial parents. In the absence of a Court Order to the contrary, a school will provide the non-custodial parents with the access to the academic records and to other school-related information regarding the child. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the Court Order. Non-custodial parents should contact the school secretary with regard to receiving a copy of the report card and school newsletters.

#### **5. Records – Transfer of Student Records between Schools**

- When a student transfers from one school to another, a school official forwards the student's cumulative record to the receiving school upon request.
- The records transferred are:
  - a) The Florida cumulative folder, student's health record, transcript card, report cards, test scores, behavioral/psychological records, disciplinary records, Student Support Plan.
- No records will be sent out unless all financial accounts have been paid in full. Families with outstanding debts will have the records held until payment has been made.

#### **6. Procedure for Withdrawal**

- The parent/guardian shall notify the school in writing at least two weeks in advance of a student's withdrawal so that the parent may be made aware of any books, materials or money outstanding. Upon receipt of all outstanding items, student's records will be forwarded to the new school upon that school's request. No transcript of a student with an unpaid tuition or fees balance will be sent to a new school.

## ATTENDANCE POLICIES & GUIDELINES

- Compulsory education laws mandated by the State of Florida require regular attendance. Class days are noted on the school calendar, which is available online. Each parent of a child of compulsory attendance age is responsible for their child's attendance as required by law. For more information, access [www.leg.state.fl.us](http://www.leg.state.fl.us).

### 1. Attendance

- Students are expected to be in school and on time on all days when school is in session. Punctuality and regularity of attendance are indispensable for a student's successful subject mastery. Lack of compliance with the school's attendance policy can result in the student losing their state scholarship and jeopardize the student being promoted to the next grade. Regular attendance is essential to a student's progress and to the formation of good learning habits. Excessive absences beyond the school's policy will be reported to the Palm Beach Sheriff's office.
- Parents/Guardians are to inform the school of an absence by phoning the school office the day of the absence.
- Upon returning to school after an absence, the student must present a note signed by the parent/guardian to the homeroom teacher explaining the reason for the absence. Students will not be admitted to the classroom without a note and will be sent to the office to call home. Three or more consecutive day's absence due to illness requires a doctor's note for readmission to school. In cases of communicable diseases, a physician's note is also required. If your child contracts a communicable disease, please call and report to the office so that we may issue a health alert to our families.
- Students who fail to comply with the above policy, or who submit attendance note containing false or misleading information, are subject to disciplinary penalty in addition to the absence being marked unexcused.
- Please be reminded that there are state requirements for the number of days/hours that a student must attend class--approximately 1260 hours/180 days).
- Any student who is too ill to follow the school program must return home. Students who become ill must first secure a pass from their teacher and then report to the school office. The school, by law, may not provide any medication, including aspirin. In the case of a child returning home, someone will call home to request that the child be picked up. Students are not to make a phone call on their own. If a student leaves campus sick, he/she may not return for the balance of that day or for any after school activity.
- Any student who is determined by administration to have the following symptoms:

○ Fever ○ Cough ○ Shortness of breath or difficult breathing ○ Chills ○ Fatigue  
○ Muscle pain or body aches ○ Headache ○ Sore Throat ○ Loss of taste or smell  
○ Congestion or runny nose ○ Nausea or vomiting ○ Diarrhea ○ Feeling feverish  
or a measured temperature higher than 100.3 degrees ○ Known close contact  
with a person who is suspected or lab-confirmed to have COVID-19, as defined  
by the CDC will be discreetly and safely asked to leave the school immediately  
and precautions will be taken to quarantine the student until a medical evaluation  
has been obtained. If the student is physically able, virtual education at home will  
be provided during the time the student is required to be at home

- Truancy is defined as the willful incurrance of an absence considered unexcused by the administration. Truancy is considered a serious violation of school policy. Students will not be permitted to make up any work missed or due in class because of an unexcused absence, truancy or suspension, including tests and quizzes.

### **Excused Absences**

- The State of Florida provides laws for compulsory attendance by all children between the ages of 5 and 16 years.

**\*\*\*Please Note:** Even a written note does not excuse an absence if the absence itself is not one of the reasons listed in the handbook as acceptable:

- a) Illness
- b) Death
- c) Court
- d) Family Emergency

### **Unexcused Absences**

- An absence for which the school received no note is considered unexcused.
- Trips and vacations taken outside of regularly scheduled school holidays without administrative permission.
- Absences of more than 18 days per year are considered excessive. As per state requirements, this could be grounds for retention. Each situation will be reviewed by the principal and guidance counselor in consultation with the parents/guardians to determine best placement for the student.

**\*\*\*The principal determines all excused and unexcused absences.**

## **2. Attendance Records**

- Parents are informed of their child's absences and tardies on the report card. Please be mindful of the tardies your child accumulates over the course of the year. State law requires a specific number of classroom hours, and habitual tardiness may jeopardize your child's academic standing. Parents wishing a more current record are free to call the School Office.

- In checking their child's report card, parents may believe that there is an error in the absence or tardy record of their child. All errors in a marking period must be rectified within two weeks of that marking period. After two weeks the listing becomes official school record and will not again be reviewed. Parents may bring errors to the attention of the school through a letter addressed to the Principal.
- Attendance records include the facts of all absences and tardies. It is worth noting that both absences and tardies are part of the student's permanent record.
- Students with excessive tardies and/or absences may be prohibited from participating in school activities, events, athletics and student government.

### 3. Early Dismissal

- Once a student arrives at school in the morning, he/she may not leave the premises until the school day is over without written parental permission and clearance by the Principal. Should this occur, **a written note or email must be sent to the teacher that morning.**
- Students who leave school for a doctor's appointment must bring a note from the doctor when returning to school.
- **PLEASE NOTE:** There will be no early dismissal during the last class period, after that, parents must use the regular car line procedure for pick up.

### 4. Make-Up Work

- While it is possible to make up written assignments due to excused absences, the actual classroom experience can never be duplicated. Therefore, students and their parents should conscientiously establish good attendance patterns. When absences occur, please refer to individual classroom procedure regarding make-up work.
- In general, if a student is out for one day, he/she has one day to return make-up work.
- Two days, two days for make-up, unless otherwise specified by the instructor or administration.
- Consult RenWeb for daily work updates.
- Failure to make up work missed during an absence will merit a detention, and a zero in each assignment missed.
- Any student not well enough to attend class during the day may not participate in any co-curricular, extra-curricular or sports activity that day or evening.

## 5. School Events & Activities

- Any student absent from school on any given day may NOT participate in any school function for the entirety of the day (i.e. sports, plays, dances, etc.).

## 6. Tardiness

- It is important for children to develop habits of arriving on time. Arriving on time for school ensures that children do not miss out on important learning activities. Arriving tardy to school results in unacceptable class disruptions and significant loss of instructional time.
- Report cards and transcripts will be held until fees for excessive tardies are paid.
- RenWeb will be disabled until fees for excessive tardies are paid.
- **A student is considered tardy when Madonna Hall doors close promptly at 7:45 am.** If a student is tardy, **PARENTS MUST BRING THEIR CHILD TO THE SCHOOL OFFICE AND SIGN THEM IN. Students are not allowed to be dropped off at the gate.** All tardies will be noted on the student's permanent records and report cards, and, as stated previously, may impact the student's academic and/or scholarship standing.
- A doctor's note must be given to the homeroom teacher upon the student's arrival for it to be considered an excused tardy if they have been to the doctor or dentist.
- Students who accumulate five (5) tardies to school in a quarter will serve a detention with their homeroom teacher and will be assessed a \$10.00 fine each time they continue to be tardy in a quarter.
- Upon the sixth (6) tardy the parents/guardian will be required to meet with the principal to develop a plan for student punctuality.

## 8. Forgotten Items

- As our students progress in maturity and age, Sacred Heart School and its teachers work very hard to teach our students responsibility and ownership for behavior. Beginning in third (3rd) grade, students must learn responsibility for their homework, textbooks, iPads, projects etc.
- For that reason, students in 3<sup>rd</sup> through 8<sup>th</sup> grade will receive a detention for not being prepared for class.

- The office will not accept any forgotten items brought to the school to be given to a student.
- The office is no longer accepting lunches to be dropped off after school begins. Lunch will always be provided for a student, if it is forgotten.

- All qualified students may try out for membership on sports teams. The school is committed to providing everyone a fair chance to participate. Unfortunately, in some sports, not everyone who tries out can be accepted. The decision of the coach, in conjunction with the athletic director, is final. Ordinarily the principal will not intervene in non-selection decisions, unless the decision is arbitrary and capricious. Parents are encouraged to help their children understand that not everyone will be selected.

## **25. Definition of an Athlete**

- A student becomes an athlete from the first day of tryouts until he/she is cut from the squad. If a student makes the squad, he/she remains an athlete until the team or individual is eliminated from tournament play. The athlete then reverts to student status. The athlete is an athlete 24 hours a day, regardless of where he/she is. All cheerleaders are considered athletes. Athletes must conduct themselves, on and off the field/court in a manner fitting a representative of Sacred Heart School and at all time while wearing the school uniform.
  
- Once a student has made the team he/she should remember that he/she is responsible for the care, maintenance and return of all school uniforms and property. ## ACADEMIC POLICIES & RELIGIOUS EDUCATION

- Due to circumstances related to COVID-19, at home learning is available and this option must be officially requested in writing by parents/guardians for their children. Students are responsible to complete all work assigned and participate in activities assigned by their teachers. All students will be assessed at the end of the school year to determine grade level placement for the following school year.

### 1. Academic Probation

- During this time, a student's academic progress and conduct will be monitored.
- Students experiencing great difficulty may be asked to withdraw following a parent and administrator conference.

### 2. Curriculum Policy – Diocese of Palm Beach

- The primary goal of the program of instruction in the Diocese of Palm Beach Schools is to provide learning experiences aimed at developing the values, attitudes, knowledge and skills necessary for the student's spiritual, intellectual, moral, social, emotional and

physical development. The curriculum guidelines issued by the State Department of Education and the Office of Catholic Schools will serve as the basis for the curriculum developed at each local level to serve the needs of the students. Textbooks are selected from an approved list prescribed by the Diocesan Office of Catholic Schools and are kept current.

- The curriculum followed by Sacred Heart School is approved by the Diocese of Palm Beach and the Florida Catholic Conference. Any program held in the school must be attended by all students, unless the program has been defined as optional. The concept of development and achievement based on self-motivation, respect, trust and fairness will help create a school environment of enthusiasm, cooperation and awareness. Programs this year have been designed with consistency, interest, responsible decision-making, choices and leadership to create a more positive school spirit. Continued evaluation and staff development will ensure student/teacher successes. Local policies must reflect the needs of its students.

### **3. Pupil Services**

- The Pupil Services Program is supervised by the Guidance Counselor. It is designed to assist the faculty in meeting the individual needs of all students. The method by which this assistance is delivered varies with the teacher, student and grade level, but will usually include consultation regarding alternative instructional methods and materials, and the development of behavior management plans.
- The Pupil Services Program strives to identify persistent learning problems—social, emotional, psychological or intellectual – in a variety of ways. Primary among them is coordination of the Student Support Teams, a panel of representatives from faculty, administration and Pupil Services, who together with a consulting psychologist, meet on a regular basis to discuss students with learning difficulties. The team relies heavily on input from the parent conferences, which are always the first step in any intervention, and continues to work closely with both parent and student in exploring solutions. Pupil Services also assists in developing information regarding student performances, the administration of screening and placement instruments, standardized achievement tests (Terra Nova Tests) and sensory screening.
- The panel may take part in record reviews, classroom observations and student interviews. The office also serves as liaison with the public schools and the community when professional assessment and educational planning are found necessary.

### **4. Grading & Conduct**

- A five letter grading system is used in this Diocese for grades 1st – 8th. The interpretation of the letter grades is as follows:

A.....90 – 100

B.....80 – 89

C.....70 – 79  
D.....60 – 69  
F.....0 – 59

**Conduct grades are as follows:**

- 1 – Outstanding – Student never demonstrates behaviors that disrupt the learning of others in class,
- 2 – Satisfactory – Student seldom demonstrates behaviors that disrupt the learning of others in class.
- 3 – Needs Improvement – Student occasionally demonstrate behaviors that disrupt the learning of others in class.
- 4 – Unsatisfactory – Student consistently demonstrates behaviors that disrupt the learning of others in class.

**Honor Roll-Grades 4<sup>th</sup> – 8<sup>th</sup>**

- **Academic Honor Roll** – Student’s with A’s and B’s in all subjects for the quarter qualify for Academic Honors.

**5. Graduation Policy**

- The administration of Sacred Heart School strongly believes that attending and participating in the graduation ceremony is an earned honor and privilege. Though a student has the right to an earned diploma if he/she earns that diploma in the academic sense, it is entirely possible that a diploma may be mailed.
- In order for a student to participate in the graduation ceremony, all tuition and fees must be paid in full by the first day following our spring break, and the following three A’s must be evident:
  - a) **ACADEMICS:** The student successfully completes the curriculum offered at Sacred Heart School.

## 7. Student Council

- This vital branch of the school community serves as a liaison between the students and the administration. This organization also provides a form for student expression. Participation requires appropriate attendance and disciplinary standing as determined by the school administration.
  - a) A candidate must possess a “C” average and must be passing all courses, determined from prior marking period.
  - b) The candidate must not have received a less-than-satisfactory conduct grade twice from more than one teacher. (One less-than-satisfactory conduct grade from different teachers does not prevent a student from running for office)
  - c) A good attendance and tardy record (to be determined by the Principal) prior to and throughout the term of office.
  - d) Approval of the principal and the class/club moderator.
  - e) No student may run for or hold an office while on disciplinary probation.
- Once elected, a class/club officer is expected to maintain the same standards that are outlined above. Failure to do so may result in the officer being placed on probation or removed from office. Moderators will provide a list of duties to all students interested in seeking office.
- Students wishing to hold an office in a class or club should realize that:

- a) A student may serve as President of only one club or class per year.

#### **8. National Junior Honor Society**

- The Sacred Heart School Chapter of the National Junior Honor Society is an honorary service organization of students. Sacred Heart School follows the by-laws, rules and regulations created by the National Junior Honor Society. Membership is by selection; middle school students are invited to complete an informational form. Induction takes place in the spring. Students are selected by a Faculty Council appointed by the Principal on the basis of scholarship (GPA 3.50 or greater), leadership, character and service. The Faculty Council may deny a student's application if they have had an Honor Code violation. If the student maintains the required GPA and no further academic irregularity occurs, they may reapply. A current member who is involved in an Honor Code violation may be brought before the Faculty Council for review and may be removed from the roles of the National Honor Society. In order to maintain active status in the National Honor Society, a member must maintain a 3.50 GPA, as well as participate in community and school events. Although membership is by selection, The Sacred Heart School Chapter National Junior Honor Society does function as a club in promoting scholastic achievement as well as school and community service.

#### **9. Community Service - Diocese of Palm Beach**

- Community service activities are not school activities and **Sacred Heart School** does not mandate or direct any specific location or locations in the community where these services are to be performed. Students are free to select the location where they wish to perform community service so long as the location and the activity meet the requirements of the school. **Sacred Heart School** does not operate or control the locations where students choose to perform community service and consequently the school, its agents, and affiliates do not assume responsibility for any injuries, damages, or losses incurred in the course of performing these services in the community. Students perform these services at their own risk.

#### **10. RenWeb Parent/Student Portal**

- Sacred Heart School uses **RenWeb Parent/Student Portal** as a communication tool between the school, teacher, parents and students. Parents and students each have their own account (screen name & password). The school posts important news on the family page. Teachers post class news, calendars, homework, test dates and grades, etc. on each student's portal page. Grades are only visible for each student by that individual student's parent. It is strongly recommended that parents check student's grades, assignments, tests, class news, etc. on a regular basis.

## **11. Retention Policy**

- At progress report time, in any quarter where a child is failing in 2 major core subjects and/or has poor attendance/tardies, a conference with the principal, teacher and parent is required.

Major core subjects:

- a) Math
  - b) English/Literature/Reading
  - c) Science
  - d) Social Studies
  - e) Religion
- If the overall average for two (2) of these subjects is fifty-nine (59) or below for the school year, the teacher will recommend retention.

## **Pre-Kindergarten through 2nd Grade Retention**

- It is the goal of Sacred Heart School to offer each student the opportunity to find success in their early years of education. As educators of young children, we know the important role that development plays especially in these early years. We know that each child learns to walk at a different age and talk at a different age. In all aspects of growth, development plays a key role.
- We, as teachers, want your child to fully enjoy his/her school experience, to learn and grow at a steady pace. But if this isn't happening for your child this year, we would like to offer him/her a gift: The gift of time. This is perhaps the greatest gift you can give your child. For most children who struggle each year, development is the issue. Being the correct chronological age doesn't necessarily mean being the correct developmental age.
- There are some children who have learning difficulties and we will try our best to steer you to the proper sources to remedy or repair the situation. The final decision to retain is with the Principal in consultation with parent and teacher.

## **12. Liturgies**

- The students will participate in liturgies throughout the school year. Children masses will be held weekly at Sacred Heart Catholic Church. The entire school will celebrate special

liturgical holidays and seasons. Prayer services and Adoration of the Blessed Sacrament are also offered for the students. **Parents are encouraged to attend the liturgies, but are requested not to sit with their child's class nor are the children allowed to sit outside of their class group.**

### **13. Sacramental Programs**

- Students in second grade (2<sup>nd</sup>) will be prepared by their homeroom teacher for the Sacrament of Reconciliation and First Holy Communion.

### **15. Standardized Testing Program**

- A program of standardized testing shall be conducted annually. If you have concerns regarding your child's participation in these programs, or are in finding out about the curriculum, you may contact your child's teacher or the Principal.

This is the only exception.

### 19. iPads

- Students must come to school with their iPad fully charged. Students will receive a detention if they come to school with their iPad not fully charged. **Students will receive an in-school suspension after accumulating three (3) detentions in a quarter.**

## CONDUCT & BEHAVIORAL POLICIES

### 1. Anti-Bullying Policy - Diocese of Palm Beach

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

1. Definition

- a. **Bullying** is the willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.
- b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

2. Scope

- a. This policy prohibits bullying that occurs either:
  - i. on school premises before, during, or after school hours;
  - ii. on any bus or vehicle as part of any school activity; or
  - iii. during any school function, extracurricular activity or other school-sponsored event or activity.

3. Reporting Complaints

- a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

4. Disciplinary Action

- a. Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

## 2. Conduct - Diocese of Palm Beach

- Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Bishop of the Diocese of Palm Beach. - Sacred Heart School assumes that students intend to do their best in all areas of school life. Students and their parents are expected to willingly support the philosophy, policies and rules of the school. Students are expected to behave in a manner consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of disciplinary action, including expulsion, against any behavior that violates this policy, even if not specifically stated in this handbook. Inappropriate conduct whether inside or outside of the school, that is detrimental to the reputation of the school, is not tolerable and is subject to disciplinary action. **This includes any inappropriate conduct on the Internet and electronic devices (i.e. cell phones, iPads etc.).**

## 3. Discipline

- The disciplinary policies and procedures set forth in this handbook provide guidelines that Sacred Heart School may, in its discretion, employ in regulating student conduct. ## 4. Disciplinary Probation

- The Academic and Disciplinary Committee consist of the principal, assistant principal and dean of discipline who invokes probation when it becomes apparent that a student has a serious behavior problem. Probation gives the student an opportunity to correct his/her behavior and to assume the responsibilities involved in a more mature and

appropriate manner. During the probationary period, students may not participate in athletics or extracurricular activities as defined by the administration. Students are not eligible for Student Council if they are on probation at the beginning of the year. A suspended student will complete all materials covered in the suspension period in a supervised, independent setting within the school facility. - Any student selling drugs on school property or at school functions may be immediately expelled.
- Sacred Heart School is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.
- If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Diocese of Palm Beach. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event.   - b) **No jeans, shorts, or sweatpants allowed.**
  - c) **Girls: Wear a semi-formal dress.**

  - e) **No bare and/or exposed midriffs, thigh-high slits, mini dresses, and low backs and necklines as they send the wrong message.**
  - f) **High heels and/or high platform heels may look great but will probably feel torturous and most of them end up in a heap on the floor, within thirty minutes of entering Madonna Hall so we recommend the girls wear comfortable shoes.**

- All students are required to sign-in before being admitted to the dance.
- Students have access only to the area where the dance is held.
- Once a student leaves the dance area, he/she may not return.

- Any student, regardless of age, under the influence or possession of intoxicating beverages or drugs, will be reported immediately to the administrator in charge who in turn will notify the parents who will be expected to come for the student and appropriate disciplinary action will be taken. The police will be notified if deemed necessary.

- School suspensions for academics or behavior will result in student's suspension from the team for that week.

## **PARENT INVOLVEMENT**

### **1. Parent Conferences**

- Parents are encouraged to schedule a minimum of two conferences a year with the teachers of each child. We also encourage parents to request a conference with their child's teacher. Appointments should be requested in advance either by emailing the teacher or by sending a note to the teacher.

- Please do not try to have a conference with a teacher at school functions, as teachers have other assigned duties during these times and cannot devote to you the time necessary for a thorough, productive conference. Teachers should be contacted before scheduling a conference with the principal.
- Employees of Sacred Heart School who may have their own children attending our school are placed in difficult positions when asked for information. Please respect that they should not, nor can they, due to ethical and contractual reasons, discuss school issues, individual students, teachers or administrative decisions. Your concerns should be directed to the person or persons with whom your issues or concerns can be positively addressed.

## 2. At Home Learning

- Parents must communicate with their child's teacher regularly by email.
- An adult must be present when their child's teacher calls.
- Parents must be sure their child is completing and submitting all assignments by the due date assigned by the teacher.
- Parents must log in to RenWeb to monitor their child's grades.
- Parents must monitor student's technology use at home. The best way to keep students safe and on-task is to have a parent present and involved.

## 3. Field Trip Chaperones

- Parents who have completed the two volunteer requirements (Background screening & Protecting God's Children Workshop) will be authorized to attend a field trip. **NO EXCEPTIONS**
  - a) For the safety of the children please restrict cellular phone use to emergencies only.

  - g) Students may not sit in the front seat if the vehicle has a front air bag. All students must wear seat belts.
  - h) No stopping during a field trip for any reasons, unless directed by the teacher.

## 4. Parental Cooperation – Diocese of Palm Beach

- Sacred Heart School views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forum. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

## **5. Parent Communication**

- Communication between home and school is a vital part of the educational process. Teachers share with parents or guardians the privilege and obligation of educating their children. Therefore, parents or guardians should make every effort to keep informed of the programs of the school. Faculty members are available to discuss student progress with parents or guardians. The proper time to confer with teachers is on conference day when report cards are distributed. Dismissal or arrival time is not an appropriate time for parents to discuss their child with teachers since teachers must be attentive to all students in their class. At no time are parents or guardians permitted to present themselves to a teacher before, during or after school without an appointment. Phone calls should not be made to a teacher's home unless specifically requested by the teacher. If a problem should arise concerning your child and a classroom situation, please contact the individual teacher first, either by email or by a written note, before referring it to the principal. An appointment with the teacher may be arranged by following the same procedures.

## **6. Volunteers**

- Any parent who wishes to volunteer at Sacred Heart School must be fingerprinted and attend a “Protecting God’s Children” class given throughout the Diocese.
- Please follow these steps in order to volunteer:
  - a) Request an “Authorization to be Fingerprinted” form from the school office, or you may download this form from our website. Once you complete this form bring it back to the school office for signature
  - b) Download “Pastoral Code of Conduct” from our school website, read it and sign page 14. Return signed copy to the school office
  - c) Go online to [www.dopb.sofn.net](http://www.dopb.sofn.net) and follow instructions.
  - d) Print out your barcode and call fingerprinting site to make an appointment. Remember to bring your bar-code to the office where you will be

fingerprinted along with proper I.D. and signed “Authorization to be Fingerprinted” form.

- **Volunteer Policies**

- a) Volunteers are valued members of the school community under the direction and supervision of the Administrator and the school staff.
- b) Parents are asked to follow these dress code guidelines while on campus, on a field trips, or any other school event/activity:

**Appropriate Selections of Program Activities for Volunteers** – Volunteers are involved in a variety of activities that span many programs within a school. The volunteer should carefully consider his/her special skills, interests, and talents when choosing a volunteer position. It is important that prior to accepting a volunteer position, the volunteer clearly understands the requirements and responsibilities of his/her assignment. Prior to choosing an activity, the volunteer should be certain that it conforms to his/her preferences and schedule.

**Description and Routine(s) of Specific Volunteer Activities** – The coordinator of each area will instruct the volunteers in that area about specific requirements and routines.

**Confidentiality** - In the course of volunteer work, confidential information about students or teachers may be learned. This information must remain confidential in any setting inside or outside the school, just as one would wish his/her own privacy rights to be respected. At times, the volunteer may come into possession of information about students that may need to be conveyed to the volunteer’s supervisor (teacher or Administrator). If appropriate in the judgment of the Administrator, other persons on a “need to know” basis may be advised by the Administrator to include, but not limited to, parents/guardians, and pastor.

**Supervision of Volunteers** – The Administrators are responsible for the total school operation. The Administrators supervise all who serve in any capacity in the school and in official school-related activities. The Administrator may delegate the supervisory role to a designated member of the school staff for specific activities. Volunteers will be expected to review and adhere to Policies and Procedures contained in the Parent/Student Handbook.

**Behavior Management** – It is the goal of Catholic schools to instruct students in formation of a Catholic conscience so that they will choose behaviors which foster responsibility. In order to accomplish this, volunteers should manage students in positive and constructive ways while they uphold the school’s Code of Conduct, volunteers are expected to support the decisions of Administrators and teachers. A volunteer may not employ corporal punishment as a means of controlling a student who has misbehaved.

**Health Emergency and Safety Procedures** – All situations should be dealt with individually with prudent, adult judgment as the primary response to any illness or injury. Simple scrapes, small cuts, bruises, etc. will be taken care of in the school clinic. If a child falls or bumps them self, the situation should be taken seriously. Please observe a few seconds. If the student seems to be stabilized, an adult should accompany the student to the clinic for observation. Do not send

the child with another student. If there is only one adult present at the site of the injury, call the office for assistance. Serious injury such as a possible broken bone, severe bleeding or allergic reaction should be dealt with immediately and with caution. **DO NOT MOVE THE CHILD. DO NOT LEAVE THE CHILD.** Send to the office for assistance. Remove other students from the proximity of the situation as soon as possible. Keep the affected child as still and comfortable as possible until help comes.

**Child Abuse** – Chapter 415.504 Florida Statutes protects children from abuse and/or neglect. Abuse is defined as including any non-accidental injury, sexual battery, financial or sexual exploitation or injury to the intellectual or psychological capacity of a person by the parents or other persons responsible for the child’s welfare. Neglect is failure to provide adequate food, clothing, shelter, and health care or needed supervision. Under Florida Law, anyone who suspects child abuse is legally obligated to report that abuse. It is the volunteer’s responsibility to inform the school Administrator of any suspicions of abuse. If for some reason, the Administrator declines to make a report based on a volunteer’s suspicions, the volunteer still has a legal obligation to report. The child abuse hotline number is 1-800-342-9152.

**Scheduling of Volunteers** – Volunteers are scheduled by the coordinators of each of the volunteer areas according to the needs of the school and the desires of the volunteer.

#### **7. School Advisory Council**

- A School Advisory Council is appointed by the Pastor and Principal and is comprised of parents, teachers, community leaders, business partners and administration. The Board will meet regularly to discuss school-related issues. The purpose of the School Advisory Council is to provide a vehicle through which the community may be involved in the development of plans for school improvement and progress and to help the Pastor and Principal accomplish these plans.

#### **8. Home & School Association**

- Sacred Heart School parents have joined together to form a Home & School Association.
- The objectives of this Association shall be:
  - a) To promote good will and cooperation between and among parents, faculty, administration, School Board and Parish.
  - b) To provide parents and teachers with the information to aid in all aspects of education, growth and development.

It may also use this information in disciplinary actions and may furnish evidence of a crime to law enforcement.

## **3. Unacceptable Use of Outside Technology – Diocese of Palm Beach**

- The school expects students to use information technology and social media (including, but not limited to, the Internet, email, instant messaging and text messaging) in a responsible and ethical fashion in compliance with all applicable laws and with Christian moral principles, both in and out of the school setting. Accordingly, students may not post, place, upload, share, or communicate any images, photographs, statements or inferences relating to or including profanity, vulgarity, indecency, illegal use of drugs, illegal use of alcohol or other illegal or illicit activities. Additionally, students may not use information technology for the purpose of defaming, threatening, teasing or harassing any other student, staff member, parent, faculty member, or other person. This includes, but is not limited to, communications on social networks. In addition, this rule applies to communications both during the school year and while students are on vacation or summer breaks. Students are responsible for all materials and communications made on personal websites and on social media, and the materials and communications should be consistent with Christian moral principles, including any materials or communications posted on their sites by other individuals. Moreover, any unauthorized use of the school's name (or common names associated with the school) or any likeness or image of the school or its employees or agents is strictly prohibited.

## **5. Consent-Diocese of Palm Beach**

- Many technological devices used at school have the capacity to generate audio recordings, video recordings, photographs, and other similar reproductions of images, likenesses, and/or sounds. The use of any such recordings and reproductions is governed by school policy. Parental/guardian execution of this Handbook constitutes an express consent and waiver as to any such recordings and reproductions incidental to the use of any technological devices on school property or at school events.

There will be a charge of \$15.00 for the power cord and \$15.00 for the power block if not returned at the end of the school year. All power cords and power blocks will be checked at the end of the school year to make sure it is compatible with the device, not all the power cords and power blocks are compatible.

## **USE OF SHARED NETWORK RESOURCES INCLUDING THE INTERNET**

- Educational uses and advantages of the Internet
- Telecommunications, electronic information sources and networked services significantly alter the information landscape for schools by opening classrooms to a broader array of resources.
- Electronics information research skills are now fundamental to the preparation of students as citizens and future employees during an Age of Information.
- Sacred Heart School staff will blend thoughtful use of such information throughout the curriculum and will provide guidance and instruction to students in the appropriate use of such resources. Access to telecommunications will enable students to explore thousands of libraries, databases and electronic resources while also providing the ability to exchange messages with people throughout the world.
- Responsibilities of educators, parents and students for using the Internet
- The benefits to students from access to information resources, and the opportunities for collaboration exceed the disadvantages. Ultimately, parents and guardians of minors are

responsible for setting and conveying the standards that children should follow when using media and information sources. To that end, Sacred Heart School supports and respects each family's right to decide whether or not to allow for independent access.

- Code of conduct governing behavior on the Internet
- Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. **Use of the computer network is a privilege.** The network is provided for students to conduct research, complete assignments and communicate with others. Independent access to network services is provided to students who agree to act in a considerate and responsible manner. Network storage areas may be treated like school lockers. Sacred Heart School is not responsible for the accuracy, nature or quality of information stored on school resources or gathered through provided access. Sacred Heart School is not responsible for unauthorized financial obligations incurred through school provided access.
